NEW APPLICATION DEADLINE FOR TECHNICAL ASSISTANCE COMPONENT

TA Applications Accepted until March 7, 2005

Washington, DC – The Community Development Financial Institutions (CDFI) Fund announced today via the publication of a notice in the Federal Register that it has established a new application deadline for the FY 2005 funding round of the Technical Assistance (TA) Component of the CDFI Program.

This notice amends the Notice of Funds Availability (NOFA) published on December 3, 2004 by allowing TA Component applications to be submitted up to 5:00 p.m. Eastern Time on March 7, 2005. As stated in the NOFA, the Fund anticipates awarding a total of approximately \$2 million in TA grants to successful applicants. Applications that were submitted in response to the December 3, 2004 NOFA will be reviewed first.

Interested parties should review the February 22, 2005 notice and the December 3, 2004 NOFA, both of which are available through the CDFI Fund's website (www.cdfifund.gov) .
